Alumni President To Appoint Group To Suggest Names

Postmaster Paul Fields, president of the Alumni Association, expects to appoint a committee this week to submit a recommendation naming campus buildings.

Buildings on the campus are the Administration building, the Library, the Industrial Arts building, Residence Hall, Freshman Hall, the new gymnasium, the Classroom building, Men's Hall, quads 1, 2, 3, 4, and 5 and the agriculture shop.

The members of the Board of Regents appointed a committee to make recommendations to the Board naming the buildings on the campus. Acting for the committee, President J. W. Jones invited the Alumni Association to submit a recommendation.

Mrs. Eads Submits Pledge to State; Governor Approves

Mrs. David Franklin Eads, 1930 graduate of the College, recently submitted a Pledge of Allegiance to the State of Missouri to be said following the Pledge of Allegiance to the United States of America.

It has been approved by Governor James T. Blair, former president Harry S. Truman, Commissioner of Education Hubert Wheeler, and many newspaper editors. It is being used this fall in the schools of the state.

The pledge is as follows:

"I pledge allegiance to the State of Missouri, and to the ideals for which it stands. United with the other States for the benefit of all, we march forward to a greater America."

As stated by Mrs. Eads in a letter to President J. W. Jones, "Certainly a sense of pride in our own State is in order, and we have so very, very much in Missouri in which to take pride! Loyalty begins at home."

Mrs. Eads is a candidate for national office in the Daughters of the American Revolution. She is representing Missouri as candidate for Curator General of the national organization. She has been state regent and state treasurer of the organization.

Students to Vote Today For Queen and Senators

Two elections are being held today from 8 a.m. to 4 p.m. in the smoker at the west end of the first floor.

Drawing most attention is the election of Homecoming Queen from the five candidates chosen Walk-Out Day.

Bob Owens, student body president, will announce the winner and crown her 1958 Homecoming Queen in ceremonies following the first Variety Show performance tomorrow night in the auditorium. The coronation is set for 9:30.

"Her Majesty" and her attendants will also be presented at the close of the second Variety Show performance Friday night.

Harding to Provide Musical Variety For Coming Dance

Les Harding and his orchestra will provide the music for the Homecoming dance to be held Saturday, October 25, from 9 p.m. to 1 a.m. in the Men's Gymnasium.

The famous leader and his musicians were selected to play at the Missouri State Fair at Sedalia last August and at the Kansas City Auto show last March.

Winners of the Homecoming supremacy trophy will be announced at the intermission of the dance. Three social organizations are the defending champions. They are Alpha Sigma Alpha, Sigma Sigma Sigma, and Sigma Tau Gamma.

Also to be announced will be division winners and other place awards for the beauty and humor floats, house decorations, jaloopies, clowns, and all over effect and contribution to the parade.

Fall colors will be used to carry out the autumn theme for the dance.

Top Bands to Get Division Trophies

The beautiful trophies that are being presented to the "top" bands in each division for the Homecoming parade are given by the Maryville Junior Chamber of Commerce.

These trophies will be given to the winning bands from Iowa and Missouri. The marching band that wins three times will be given permanent possession.

Bands that are chosen will be notified during the line-up for the half-time presentation. The winning bands will also perform at half-time ceremonies.

"OH, FOR HEAVEN'S SAKE, FENSLAUSKY—NOT ANOTHER NOTE FROM THAT ENGLISH TEACHER!"

That's the Spirit! . . .

As zero hour nears, most students are busily preparing for Homecoming festivities. This college needs a word of praise for the wonderful spirit shown during Homecoming.

Every person who pitches in and supports the school comes to know the value of "that school spirit." Those who let their chances of becoming a real part of the school slip through their fingers will fail to grasp a sense of "belonging."

Alumni to Register . . .

Alumni returning to the campus for the Homecoming festivities will be able to register at several different times.

Both nights at the Variety Show, there will be tables in the main hall on second floor of the Administration building where alumni may register. They may also register at the gate as they go to the football game. Since some returning alumni may be unable to attend the Variety Show or the football game, they are to register if they attend the Homecoming dance.

They're Talking About . . .

THEY'RE TALKING ABOUT . . . five lovely girls and who will be Queen . . . rush, rush, rush, the hectic last minute preparations for the big weekend . . . sad time for the Mules . . . all the plans for a big dance . . . Girls, "What shall I wear"—Boys, "Whom shall I take?" . . . will the lovely weather last for Homecoming?

THEY'RE TALKING ABOUT . . . pictures taken for the Tower . . . Around the World in Three Hours . . . suitcase students . . . no time for study but lots of tests!

THEY'RE TALKING ABOUT . . . the first flashy '59 cars on the campus parking lots . . . daily coffee-matching contests in the den . . . the speedy progress on the new classroom building . . . parking fines and Student Court . . . good attendance at all college activities—let's keep it up.

THEY'RE TALKING ABOUT . . . the new mademoiselles and monsieurs on campus . . . study music from hi-fi sets . . . the new and worthwhile interest in departmental organizations on campus.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our part to instill a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

The Stroller . . .

The Stroller, like everyone else, is eagerly waiting and looking forward to the Homecoming dance and the announcement of the Homecoming queen.

He has certainly been enjoying the lovely fall weather and hopes it is as nice for Homecoming. But, from the color of the leaves, it does look as if Jack Frost has been around at least once.

Looks Like a Gay Weekend
The Stroller has been to a few of the committee meetings for Homecoming and predicts a gala affair for '58. With all the promised help by students, the floats, the skills for the variety show, and the decorations should be done in a big way.

One Sunday evening the Stroller was over at the girls' dorm when several girls were returning from a week-end at home. He noticed all the varieties of food the girls were carrying in and began to wonder whether diets had gone out of style.

Why All the Tests?
He wonders just what the faculty members have up their sleeves having all the pop tests and announced exams. They really take a lot of pep out of a person. Social Science tests! Now that's quite a topic. Anyone who E's a Social Science test is either a genius or has been able to locate a copy of the test before hand.

The Stroller suggests that the next time scientists proceed to shoot a rocket to the moon they use Maryville college's pep band and cheer leaders to give it that extra go, go, go!

He has noticed that there have been large crowds at the after-dinner dances. He agrees with a fellow student that it is a good way to digest one's food.

Instructor Postpones Planned Piano Recital

Cats to Be Hosts To Warrensburg For Homecoming

It will be Homecoming at Memorial Stadium next Saturday when the Bearcat football team plays host to the invading Mules from Central Missouri State College, Warrensburg, with the game starting at 2:00 p. m.

The Mules started the season with a 26-13 win over highly regarded Morningside College at Sioux City, Iowa, but since then have managed only a tie besides their two defeats for the first four games.

Warrensburg Has Troubles

The tie was with Pittsburg State 19-19. The Mules suffered defeats at the hands of Emporia State, 25-0, and Lincoln, 41-0. In both games they couldn't get their offensive unit to score.

They have good backs in Fredricks and Patrick, and in spite of their losses and their inability to score at times they have run up a good average in total yardage per game.

Bearcats Won Last Time

Last year's game ended in a 20-6 win for the Bearcats, and the Bearcats should be out to repeat that outcome and obtain their first victory of the season. Since they have a bad start of 4 losses and no wins, and since it is Homecoming, the Bearcats are pointing for this game and hope to end their winless ways. Coach Paul Turner is still trying to correct the faults of the team and put together a winning combination.

Each team should be up for this game and hoping for a big win.

Random Shots . . .

It is still doubtful whether veteran fullback Fred Fuhr will be ready for the Homecoming game with Warrensburg. He has been improving steadily, and the coaches are hoping he will be fully recovered in time.

Parley Mills of Kirksville is still leading the conference in total points scored with 24 points for the conference and 73 points in all games played so far with 12 touchdowns.

Quarterback Dick Powell of the Bearcats has completed 19 passes in 43 attempts for a 44.19 per cent completion average which places him 5th in the overall standings among leading passers. He is 6th in punt returns with a 16.3 yard average.
